### RISE AMBASSADOR REPORT – PORTER

- Rise Forum instead of Rise Lunches – In the South Side of Testing Center.
  - Golden Tickets will be given out to kids
    - Not doing Pizza anymore – the kids are figuring out what the food will be
    - FOOD PANTRY: Confirmation that Everything we Raise from the Super Bowl of Caring is staying at Skyline.
  - PTA gave \$1000 to go towards the Food Pantry. We'll also get a check from the Food Pantry
  - (Food Security) As Soon as the Super Bowl of Caring is over around Feb 5th, Food Bags will be put together, hopefully with meals like Spaghetti, tuna casserole.
  - Rob McDaniel said he will come up with a Space to store the food
- GOAL – to get a Food Pantry up and running and then after we have more info and experience, we can go from there based on the needs we see
- Send info out to neighbors that Skyline is starting up a Food Pantry and the SuperBowl of Caring money is going straight to Skyline.

- There are 3 categories for the Student Competition:  
Money, Priority Foods (worth double points) and Low Priority Foods

Last Year 921 kids come. Principal McDaniel will ask Mr Capte will find out WHY we charge and let Auschel know

- Maybe try to make it an End of Year Party???
- Make it a Staggered Time and Have Seniors do it first

## PRINCIPAL REPORT – Rob

Auschel -how is the Building Going?

-Principal McDaniel said the building committee made the decision for the single bathrooms do NOT Support girls and boys being in the same area.

\* The New Skyline Preschool will have a lot of space so if you know people who have kids that age, please spread the word.

The Main Skyline Website is continually being updated.

\*Sports App. All Teams will be using it.

### School Goals

- Principal McDaniel has done 13 student focus groups

He's going to put together 2 focus groups with 4 teachers 3 or 4

Stay Gold keep doing what we're doing well

Build Blue – Be intentional about the kids struggling

-Intervention How is it supporting all kids

-PBL Proficiency Based Learning Like to develop consistency of what that means. It includes things like, what counts as an assessment, what's the timeframe for feedback and that students can reassess and do something about it.
